A PRODUCTION OF

Welcome to the inaugural Caleb Bennett Invitational Bareback Riding Battle, an exhilarating event where the raw power of rodeo meets the vibrant spirit of our community. Named in honor of Caleb Bennett, a distinguished figure in the world of professional rodeo whose dedication to the sport has inspired many, this event promises to be a thrilling spectacle for athletes, spectators, and supporters alike.

Held for the first time in beautiful Kamas, Utah, the Caleb Bennett Invitational Bareback Riding Battle aims to provide a platform for rodeo athletes to showcase their skills, push their limits, and inspire others. Competitors from around the world have gathered here, each bringing their unique talents and determination to excel in the challenging sport of bareback riding. Whether you're a seasoned rodeo star or an emerging talent, this event offers a chance to shine and achieve new heights.

This battle is made possible largely through the generous support of the city of Kamas and the local community. Their commitment to promoting rodeo sports and fostering community engagement has been instrumental in bringing this invitational to life. As Mayor of Kamas, UT, Matt McCormick, remarked, "I believe the Caleb Bennett Invitational will bring a unique event from a long rodeo tradition to Kamas. We are singling out a rough stock event that sometimes gets overlooked and highlighting it in Kamas with the Caleb Bennett Invitational. I hope this gives Kamas a chance to stand out with this one-of-a-kind event. It would be great if this could turn out to be a regular event for the cowboys and be one of the stops on their way to Las Vegas and the National Finals."

Caleb Bennett himself shared his enthusiasm for the event, stating, "I'm thrilled to see the Caleb Bennett Invitational Bareback Riding Battle come to life. This event highlights the grit and skill of bareback riders, a rough stock event that often doesn't get the attention it deserves. I hope this invitational becomes a staple in the rodeo circuit, offering cowboys another prestigious stop on their journey to the National Finals in Las Vegas."

Beyond the competition, the Caleb Bennett Invitational Bareback Riding Battle is about building connections and creating lasting memories. It's an opportunity for families, friends, and fans to come together, cheer for their favorite riders, and experience the heart-pounding excitement of bareback riding.

As you enjoy the events, take a moment to appreciate the dedication and hard work of everyone involved, from the organizers to the volunteers, who have made this event possible. Thank you for joining us at the Caleb Bennett Invitational Bareback Riding Battle. We hope you have an unforgettable experience filled with excitement, inspiration, and camaraderie.

Let the battle begin!
